INDEPENDENT MEDIA

There are so many good sites we could list here, but these are some of the better ones I have found. Many of these would be listed as conspiratorial/fake news sites, but they are true independent media sites. Unless we look outside the official news streams we get only partial stories and often outright misreporting and propaganda. If you have been into independent media for some time you are likely to have strong views on some of the material on these sites, but real, open and honest discussion and debate of the issues is what is needed. If you are really interested in having all the evidence behind world events at your disposal, give these sites a try and then, by all means, go further from there! (In alphabetical order, not in order of preference.) I don't necessarily share some of the views on these sites, but they are worth a look.

	<p><u>ALTERNET</u></p>	<p>One of the oldest and most-read of the alternative online news sites. Links to many others. Articles and videos. Good investigative reporting.</p>
	<p><u>THE CORBETT REPORT</u></p>	<p>Videos and articles on geopolitics, weekly news summaries. Open source intelligence news. Independent critical analysis of politics, society, history, and economics.</p>
	<p><u>FOREIGN POLICY IN FOCUS</u></p>	<p>Connecting the research of more than 600 scholars, advocates, and activists seeking to make the United States a more responsible global partner. FPIF is a project of the Institute for Policy Studies.</p>
	<p><u>GIZA DEATH STAR</u></p>	<p>Site of Dr. Joseph P. Farrell, professor of patristics. Weekly analysis of world affairs in his "News and Views from the Nefarium". Articles and videos. Would be classed as pseudo-science and conspiracy in the mainstream, but the man has insight. Give him a look – if you dare. Especially with geopolitics, he is correct time and again.</p>

	<p><u>INFORMATION CLEARING HOUSE</u></p>	<p>“News you won’t find on CNN or Fox news.”</p>
	<p><u>LOBELOG</u></p>	<p>LobeLog is essential reading for anyone interested in US foreign policy, primarily toward the Middle East. Behind-the-scenes investigations, incisive commentaries, and expert analyses from Washington to Tehran and beyond.</p>
	<p><u>MOON OF ALABAMA</u></p>	<p>One of the best independent sites I have seen. Sometimes the comments are as good if not better than the articles. Don’t let the title fool you. Articles only. Rich links to other sources.</p>
	<p><u>NATURAL NEWS</u></p>	<p>News from the Health Ranger. All the health news the mainstream doesn’t want you to see. Good common sense analysis as well as alternative views. Articles, videos, infographics, helpful links and much more.</p>
	<p><u>THE REAL NEWS NETWORK</u></p>	<p>One of my favorites for alternatives to the mainstream media. Geopolitical focus. Interviews and articles by people who have ‘been there’. Investigative reporting.</p>
	<p><u>THE SAKER</u></p>	<p>"The Saker" is a pseudonym for a top level American military analyst who lives in Florida. Writes for Russian Insider. Military analysis, intelligence issues, Russian geopolitics, traditional Orthodoxy (Christian)</p>

	<p style="text-align: center;"><u>THE</u> <u>SOLARI</u> <u>REPORT</u></p>	<p>The site for Catherine Austin Fitts, Assistant Secretary of Housing and Federal Housing during the H.W. Bush administration. Head of Solari Inc. What happened to those missing trillions?</p>
	<p style="text-align: center;"><u>TRUTHDIG</u></p> <p style="text-align: center;"><u>MEDIA</u></p>	<p>News, articles, videos, comics, investigative reporting. Current events and international.</p>
	<p style="text-align: center;"><u>TRUTH</u></p> <p style="text-align: center;"><u>STREAM</u></p> <p style="text-align: center;"><u>MEDIA</u></p>	<p>Documentary short films on YouTube that look behind the events of the times and articles as well. More of a domestic US focus.</p>
	<p style="text-align: center;"><u>WE</u></p> <p style="text-align: center;"><u>ARE</u></p> <p style="text-align: center;"><u>CHANGE</u></p>	<p>A good thumbnail sketch of all the news you missed in the corporate media. Articles and videos. US and international news, personal growth.</p>
	<p style="text-align: center;"><u>ZERO</u></p> <p style="text-align: center;"><u>HEDGE</u></p>	<p>All the latest news articles unpublished in the mainstream. Particular focus on geopolitics, finance and social issues.</p>
